[User](#) likes about Hardee's:

eating tastes just as good as the breakfast of Chick-fil-A. the only difference is hardee's is cheaper and has offers on the app. I just wish there was a way to scan codes instead of making mobile calls. [read more](#). The place also

offers the possibility to sit outside and eat in beautiful weather. What [User](#) doesn't like about Hardee's:

We know the owners and when they are there this Hardee's is as high quality as Chik fil A. The last 3 visits in the evening, when it is being run by young people, there has been running around, goofing off, inappropriate

language, messed up orders. Very disappointing and I'm sure this would not be the case if the owners were there. [read more](#). At this time many are thinking about a healthier diet; specifically for such thoughts Hardee's's

menu provides a wide range of healthy light dishes, Inthemorning a delicious brunch is offered here. Typically, the burgers of this place are served as highlights along with sides like french fries, leaf and cabbage salads or wedges, For you, the dishes are normally prepared **fast and fresh**.
