our regular [Mexican](#) restaurant was closed so we decided to try si casa xpress. they had a lot of articles on their menu and the service was fast. we have the fajita burrito and this ding was massive! not only was it big, but it was also super delicious! a burrito would have been enough to share my friend. the prices were also fair for what they got. have already recommended some of my friends. Price to food ratio is a bit rough. Service is okay most of the time, but I'd argue that if you try to get anything other than a taco or a burrito you may be in for a disappointening surprise. Ordered there chicken soup and felt like 7 dollars for broth and a few chunks is chicken is not that economical. [read more](#). Anticipate the *varied, tasty Mexican cuisine*, which is usually prepared with corn, beans and chilies (hot peppers).
