Exceptional customer service , friendly staff. The food on the other hand. Let's talk about the rice and peas. I've visited this place a handful of times and everytime the rice isn't fully cooked , no coconut milk nor butter nor seasoning can be tasted in the rice. Everything else is ok not amazing but ok. They need to change the rice recipe. Maybe it's the location. [read more](#). In the morning, you can enjoy a **rich brunch** at Golden Krust Caribbean, as much as you want.
