Great food and great people. If you like Filipino cuisine, then you must try this place!! Thank you for the tasty pork lumps and chicken kabobs that we serve at my late birthday party in November [read more](#). You can use the

WiFi of the place at no extra cost. What [User](#) doesn't like about Philippine Cuisine:

Simple delicious food! My son and I tried the adobo chicken, sausage and pork skewers. All excellent but beware those little sausages are addicting... Warm, inviting husband and wife provide great service. Mostly a takeout but there are a few tables to dine in. No frills but delicious food. [read more](#). Philippine Cuisine The **accomplished Asian fusion cuisine** will thrill you, the perfect balance of familiar flavors and exciting new creations will amaze!, and you can indulge in delicious American meals like Burger or Barbecue. The **menus are prepared typically Asian**, There are also nice [South American](#) menus on the menu.
