Every time I've been here I've had a delightful experience. For the most part I like to compare the Thai food that I've had here to the Thai food that I've had when visiting Thailand. When I find a very close comparison, I'm happy. This place makes me happy. Simply said. [read more](#). As a customer, you can use the WLAN of the restaurant at no extra cost. What [Raco medal](#) doesn't like about Thai Villa:

15 years ago Thai Villa is an Authentic Thai Restaurant, with different and many new owners who took over, Thai Villa lost its reputation as an Authentic Thai Restaurant, today we ordered. vegetable soup, Pad Thai and Green Chicken Curry, Their Soup is like the one that you buy at a grocery store "Instant Soup" with an extra amount of MSG, I can not not and did not eat the soup, The Pad Thai has lost its ingredient and taste like "Bad Thai" the green Chicken curry was a joke Too soupy and the cut up tiny pieces of chicken breast swam helplessly, I'd say my experience to Thai Villa is simply one of the worst and sad to say "that their price is not worth to pay. In the kitchen of Thai Villa in Raleigh, traditional meals are prepared with typical Asian spices delicious, Thai meals are prepared here with the popular spices and fish sauces. The Asian fusion cuisine is likewise an important part of Thai Villa. Anyone who finds the normal and generally known dishes too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients enjoy, The guests of the restaurant are also thrilled with the extensive selection of differing **coffee and tea specialities** that the establishment offers.
