During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, Inthemorning a **versatile brunch** is offered here. After the meal (or during it), you can still relax at the bar with a *alcoholic or non-alcoholic drink*, You shouldn't miss the opportunity to try the crispy and crunchy [pizza](#), baked straight out of the oven in an traditional manner.
