L&L is L&L. It's good when you crave it and want it to be. Coming from San Diego, this is the first location I've ever seen that has it's own building. I usually see the shop in a shopping strip connected to something else. [read more](#). What [Sam Keshvari](#) doesn't like about L&L Hawaiian Barbecue:

The driver was extremely rude....snapped at me because she delivered to the wrong address....just threw food at me....she was very unprofessional and I don't deserve to be treated as such..... [read more](#). L&L Hawaiian Barbecue The **groundbreaking Asian fusion cuisine** will thrill you, the exquisite mix of traditional dishes and exciting new creations will amaze!, and you can enjoy here fine American meals like **Burger or Barbecue**.
