What [User](#) likes about Outback Steakhouse: We were there for lunch on Friday. The food was amazing! I like my steak boiled medium well... almost nowhere does it get right, it's always boiled over or boiled under. Not this steak, it was on site! All right! Our server was also super brilliant, very attentive and thoughtful. Wasn't too often on the table, but didn't let us ask if our server was too. Everything is very happy with our experience.
