The **ONLY** place in the Cloud for [sushi](#). I have tried that new sushi spot and Lund's. However, this is the place if you want good safe sushi, bento, or hibachi. \*For newcomers to the hibachi experience: be prepared to combine/socialize with other groups around the griddle(that's why it's fun)! Additionally, Japanese/Chinese food and rice is typically made with soy sauce that contains lots of wheat. Therefore, my gluten... [read more](#). The restaurant also offers the possibility to sit outside and eat in beautiful weather. What [User](#) doesn't like about Fuji Sushi Steakhouse:

I'm not the type to automatically jump to negative assumptions about things, as it's important to try to see things in a positive manner. The environment was pretty, I liked the lighting. The waiter was a great guy. I wish they would stop with the masks already but I still liked the guy. Main issue is the food. It is quite expensive for what you get. My girlfriend's plate was unorganized, it's just like a mixture of... [read more](#).
