What [Chryl Ortolano Lizana](#) likes about Kyoto Japanese Cuisine: My new favorite place to eat. The food is incredible. The service is wonderful and the servers are so friendly. It's a beautiful restaurant. I recommend it to my friends all the time. [read more](#). What [Tessa D Short](#) doesn't like about Kyoto Japanese Cuisine:

This place has okay food, but the atmosphere was horrible. As soon as we walk in, there were plenty of open seats, but the host say is right in the middle of 4 other tables of people. They're was no music at all playing, so we could hear everybody's conversations, and we could hear everybody eating. It was a very unpleasant experience. The waiter was very very nice! Food was pretty good. Atmosphere sucked. [read more](#). The Kyoto Japanese Cuisine originating from Ocean Springs offers various tasty seafood courses, there are also fine vegetarian menus on the menu. The preparation of the meals is done typically Asian, Furthermore, the customers love the creative combination of different dishes with new and partially experimental products - a good example of successful *Asian Fusion*.
