Wanted a dessert while in Point. This place found on Google Maps and decided to stop. It's on a corner and has a small parking lot. A lot of ice combination to choose from. The Nabeby got a banana column and I did a number 6 (hot fudge, mini marshmallows, and crushed grams). If we were living closed by us, we would definitely try the other combinations. Would recommend everyone in the area. [read more](#). What [Brooke O](#) doesn't like about Carl D's Soft Serve And Gourmet Popcorn:

The kid taking orders was not friendly at all. Didn't greet us or say anything when we walked up to the window. The kid handing out the orders when ready was calling the order numbers really quietly and no one could hear him and then wonder why no one was coming up to grab their order. It was a long wait because of this. We got flurries and the top was already melted and the bottom was too frozen. Not a good soft serve. [read more](#). If you're desiring some *zesty South American cuisine*, you've come to the right place: delightful dishes, roasted with fish, seafood, and meat, though **corn, beans, and potatoes** are also on the menu, and you have the opportunity to try scrumptious American meals like Burger or Barbecue. If you'd like something after-dinner treat to finish off, Carl D's Soft Serve And Gourmet Popcorn does not disappoint with its large selection of desserts.
