Very good Thai dishes. I ordered from the party menu and took it home. A small tray that should feed 5 or 6 people was very generous and probably could've fed 8. Chicken fried rice was a big hit with the family, and fresh Thai Spring Rolls were excellent. Staff was friendly and brought my big order out to the car. Will definitely come back. [read more](#). What [MrMalibug](#) doesn't like about Koung Thai:

First time customer. Amazing. Will return, often. To all the 1 star Vegans..I declare: If the Creator didn't want us eating animals, he would not have made them so tasty! Go to a lawn service company and eat the fresh mowed lawn clippings. Woketopians???? [read more](#). Koung Thai from [Rockwall](#) uses for its fine menus the **Thai**

culinary famous spices and (fish-)sauces, along comes freshly harvested vegetables, seafood and meat, On the menu there are also several Asian meals. The **Asian fusion cuisine** is also an important part of Koung Thai.

Anyone who finds the normal and generally known dishes too ordinary should approach with a willingness to experiment and try some exciting combination of ingredients eat, [fine vegetarian meals](#) are also on the menu available.
