The restaurant from Daytona Beach offers **18** different **dishes and drinks** on [the menu](#) at an average price of \$7.0. What [User](#) likes about Delicias:

If you have ever been to an authentic Latin restaurant you know that the small, distressed looking ones are the best. Overlook the mismatched furniture and dated building and focus on what is important at a good restaurant, food and service. This place nails both. Three lovely Latin ladies were running this place, two in the kitchen and one on the floor. They were busy so I was not expecting the food to come out quic... [read more](#).
