What [User](#) likes about Chili's Grill:

Good, but not great. Our food is always pretty good. It doesn't matter to blow only their pickup service at this point. They are usually fast, a few times slow. I wish there was a note section when you order from the site to let them know to leave something from an order [read more](#). What [User](#) doesn't like about Chili's Grill:

Chilis is my favorite restaurant all the time but I don't know what's wrong with the way they do the chips, normally they use a bag and I don't like how messy looks inside of the box where you can't barely see the quesadillas. Then a visit to this sports bar is just right: in addition to small snacks and dishes you can watch the latest football matches, tennis or Formula 1, You'll find nice South American cuisine also on the menu. Surely, it's also a nice event to feel like in the *Wild West* once, to drink and eat like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice juicy burger, and you can indulge in fine American meals like [Burger](#) or [Barbecue](#).
