What [Mike Brad](#) likes about Chili's Grill:

I have lunch meal with my grandson. I had a hamburger which was pretty good, nothing special. His kids meal was pretty basic but he enjoyed it. Best part for him was some kind of blue drink I think it was Sprite with blue syrup. The wait staff was friendly and attentive. It has a big bar which I assume during happy hour would be kind of fun. There's plenty of parking. We'll probably go back. [read more](#). What [Ravi Chandra Appasani](#) doesn't like about Chili's Grill:

Cob lacked flavor. I would definitely go back for the quick curbside pickup service. [read more](#). If you want to try tasty *American dishes like burgers or barbecue*, Chili's Grill from Frisco is the place to be. There are also tasty South American menus on the menu. Even the versatile, tasty [Mexican](#) cuisine, traditionally cooked with corn, beans and chili, is very popular with the customers. The barbecued food is freshly cooked here on an open flame.
