Family Favorite. Love this place, but it can get crazy busy very quickly at lunch weekdays. Love the different sour creams, and the spicy chicken is the best. Usually do the nachos or the quesadilla. I can only get over there on weekends, but is a good place to meet up with the in-laws. Take the out of towners there, too. [read more](#). The restaurant offers free WLAN for its guests. It's certainly always an event to be in a typical saloon and to taste; to feel like a cowboy for once with a beer and also the *finger food like crispy fries, onion rings or a hearty burger*, The meals are usually prepared for you in a short time and fresh. The guests also appreciate the **versatile, scrumptious [Mexican](#) cuisine**, whose traditional dishes are prepared with corn, beans and spicy chilies.
