What [User](#) likes about Gravity Bistro:

consistently a great place to go with friends for an excellent food and wine in a lively atmosphere. I've been going to gravity for years and never had a bad end. [read more](#).

What [User](#) doesn't like about Gravity Bistro:
It's an okay place. The food was decent, the wine was pretty good and the service was ok. In my opinion, the atmosphere was a bit too formal, especially as we came quite late. The selection of the items in the menu was a bit small and the prices were a bit high. [read more](#). At Gravity Bistro, a place with Italian dishes from Palo Alto, you can enjoy **typical Italian cuisine**, including classics like [pizza](#) and pasta. Additionally, easy digestible Mediterranean menus are on the menu. After the meal (or during it), you can also relax at the bar with a **alcoholic or non-alcoholic drink**. Besides, the atmosphere of course matters, which is why the customers don't just appreciate the delicious menus, but also the bistro itself appreciate.
