What User likes about Nano's Taco Run: I had been coming to Nano?s for years. I love about 15min away and there are plenty of other taco places I could go to, but Nano?s has the best tacos. I bought about 10 breakfast tacos for friends and kids. The tacos were out of this world. I ordered them Togo and arrived when they said they would be ready (about 10? after I called). I had to sit around for another 15-20min before actually getting the tacos. Worth th... read more. What User doesn't like about Nano's Taco Run:
disappointed. we have tried nanos for the first time since the move here and disappointed after the order of barbacoa tacos. she specifically asked if we wanted zilantro and wobble and said yes, thank you for asking. not only were we accused for them as extras, but came home and the tacos hadn't! read more.
