Gyros are very tasty AND they will put cucumbers on them if you ask but they are dry so ask for extra sauce. Just trust me! Tiziki sauce is pretty good, not phenomenal but not bad either. Veggies are not cut up so made eating a bit tough. Next time I'll bring it home and cut everything up. I'll definitely be back. [read more](#). In beautiful weather you can even eat and drink in the outdoor area, And into the accessible spaces also come clientele with wheelchairs or physical limitations. What [User](#) doesn't like about Gyros Express:

Been a while since I've been in this area to eat. Stopped by about an 1 hour before posted closing time. And the place is closed. Most likely won't be back. I understand it's changed ownership not interested in giving them another go. I get it things happen. Post a sign or adjust your hours. [read more](#). For visitors of the establishment, the **catering service** is also available, and the customers of the establishment are thrilled with the Greek specialties. They also offer light *Mediterranean menus* available.
