What [Shaneisha McMillan](#) likes about Saviour African Food:

They give wayyyy too much rice with not enough of everything else. My container was packed with jollof rice. I also had plantain and 2 pieces of goat meat. With barely any meat on it. I could've just ordered a side of rice if I just wanted rice. My friend really enjoyed all of his food. Freshly prepared food. Just not happy with the way the servings were divided. [read more](#).
