The place from Mountain View offers **9** different dishes and drinks on the menu at an average price of \$19.1.

What [User](#) likes about Poke:

first visit in this inner city mountain view pokebar, in a small super market. they order and pay on a screen in front of the bar. it can take a few minutes to complete the transaction if they want to personalize their order what I wanted to do. my order was in ca. 5-10 minutes prepared, and it was delicious and cheap. a \$20 large bowl was right for two people. [read more](#). What [User](#) doesn't like about Poke:

Absolutely love this place, but the past two times Ive ordered from them Ive received my bowls half-filled, if even that. They would hardly count as small bowls compared to the previous times Ive eaten from here, and I have been for years. Seriously disappointed. [read more](#). If you want to spoil your palate with a bit of culinary flair, this is the place to be: The original [Asian fusion cuisine](#) of the Poke from Mountain View - a delicious combination of traditional and the unexpected, there are also **fine vegetarian dishes** on the menu. In addition, they provide you delicious [seafood](#) dishes, The *barbecue* is freshly cooked here on an open flame.
