Service was great and friendly. The food lacked flavor and was very bland. I got the chicken and steak fajitas. I know it's not a real [Mexican](#) dish but I wanted to try something different. It was almost like they had zero seasonings..... There was no char on the meat and the onions and peppers were almost still crunchy [read more](#). A visit to Candilejas is particularly valuable due to the large diversity of [coffee and tea specialties](#), Many guests are especially looking forward to the **diverse, fine Mexican cuisine**.
