I thought they had only sandwiches and so. I'm so glad I menu is bigger than I thought they were open 24 hours. I had the shrimp peen pasta. I would hate to see the calorie counting on it because the sauce was very rich and creamy, do not buy excessively rich. I will come back to try other non- Sandwich type elements on the menu.

I was hoping that would be a great deli, but unfortunately it wasn't so good to eat. the meat in our pastrami and corned bark sandwiches was hard and too dry without much taste. the restaurant is open 24 hours, which is very convenient. the service was nice and fast, so I give them three stars.
