Very disappointed they definitely are not the same, save your money and go to Jacob's on Lenox ave. They have way more food options and you get more for your money. I was charged 25 bucks for a small portion. When they first opened many years ago this was my go to not anymore. I will not be buying from this restaurant ever! I'll take my butt to Jacob's from now on. [read more](#). If you're desiring some zesty South American cuisine, you've come to the right place: delicious menus, prepared with fish, seafood, and meat, though **corn, beans, and potatoes** are also on the menu, Especially fine juices are very popular among the visitors. If you'd like something after-dinner treat to finish off, Manna's does not disappoint with its good **selection of desserts**, and you can try tasty American dishes like [Burger](#) or [Barbecue](#).
