What [Dude Exemplified](#) likes about Polka Dot: Nothing on the outside to make you choose this cafe more than the others I guess that is why I choose it. The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical limitations, and there is no-charge WiFi. If the weather conditions are right, you can also eat outside. What [Brandon Shaw](#) doesn't like about Polka Dot: For \$8 the ice cream was definitely lacking in size/toppings. The lady working there must have been having a bad day as she was a bit rude. Don't feel a need to go back unfortunately. [read more](#). A selection of fine seafood courses is offered by the Polka Dot from [High Bridge](#), for breakfast they serve a *varied breakfast* here. Would you rather enjoy the food at home or on a special occasion like a celebration? Thanks to the in-house catering, that's no problem, The dishes are usually prepared fast and fresh for you.
