I ordered this off of Uber Eats and this isn't like the other locations. WAY smaller portions and the quality of the chicken isn't as good. The one in Irvine/Tustin is the place to go. If you're hungry some hot South American gastronomy, you're in the right place: exquisite dishes, roasted with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are in the menu, Besides, the successful blend of different meals with new and sometimes adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion. You have a party and want to enjoy the food at home? With the in-house catering service, that's easily doable, on the daily specials there are also a lot of **Asian dishes**.
