Big pizza at a lower price than most other pizza spots (except maybe small caesars) their delivery has become more expensive, but they are rewarding pickups more, making it up to your ability to easily get to shop. Pizzas are mainly the handmade pan pizzas tastefully. There's not one thing on her menu I wouldn't like it. [read more](#).

What [User](#) doesn't like about Domino's Pizza:

\$20 minimum on delivery orders is a mistake. \$20 is way to much food for one person so basically if your ordering for yourself just get DoorDash/Uber eats. Very stupid business practice. Best case this just eats up the tips your delivery drivers were going to receive. At Domino's Pizza, a restaurant with Italian dishes from Superior, you can enjoy typical Italian cuisine, including classics like [pizza and pasta](#), Don't miss the chance to have the delicious pizza, prepared fresh in an original way.
