What [User](#) likes about El Dollar Taqueria: Don't judge a book. Yeah, this place looks like some ramshackle, but it's legit. We drove a bit and needed a little comfort for the long day. A Burrito repair was fine. Pretty decent size Burrito btw, I will eat for days.... [read more](#).

In beautiful weather you can even have something in the outdoor area, And into the accessible spaces also come clientele with wheelchairs or physiological disabilities. What [User](#) doesn't like about El Dollar Taqueria: This is a nice Taco Truck with a covered seating area that exists in a virtual food desert next to a truck stop. Had carne asada tacos. Would have been a four-star review, but I asked for salsa when I ordered at the counter, and asked for confirmation that it was included when I picked up the order five minutes later. And it was. But we just got one small salsa verde (which is the same size they give for two tacos),... [read more](#). Look forward to the **diverse, delicious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
