- What? We had 9 people. I don't care that the tip is included. I understand, many people don't tip. The tip was added at 15%, the standard is that I usually tip 20 to 25% if it is added, I usually add the rest. This time they added a fee to tap my card and a place again. So I decided they knew what they were worth and left their 15% standing. I don't like surprises or be fabulous, and I felt this happened. Adding another 20% on a \$135 ticket is a pretty top. The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. It's certainly always an experience to be in a typical saloon and to eat; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a hearty burger, there are also *delectable [vegetarian](#) meals* in the menu. The customers also appreciate the **versatile, tasty Mexican cuisine**, whose traditional dishes are prepared with corn, beans and spicy chilies.
