1. Great hidden jewel! Great coffee and breakfast was really nice. Far better than your typical chain and the atmosphere was perfect, but not cramped. I could be wrong, but I think the owner actually worked the counter together with her staff. She was very friendly and gave me a free drink pass! That was super cool! I will definitely be back! The only light cone, there was no sign on the parking side of the building. This would really help Newcomers. Thank you.
