What User likes about San Pedro's:

The food, decor and the atmosphere here is very authentic. Our dishes and their ingredients were very fresh and perfectly cooked. Advanced menu with dozens of possibilities, including seafood. Salsa is great. Prices are fair for quality. The staff was very hospitable and attentive. Overall a really great culinary experience I recommend it for those looking for Mexican cuisine in the north Scottsbluff! read more. The eatery spoils you with a little bit of this and a little bit of that with their well-known *Tapas*, and you can look forward to the scrumptious typical seafood cuisine. Even the **versatile, delicious Mexican cuisine**, traditionally cooked with corn, beans and chili, is very popular with the guests.
