For *seasonal or weekly deals*, please get in touch via phone or use the contact details provided on the website. What [User](#) likes about Velma Jeans Waffle And Chicken:

It was definitely worth the ride. The food was delicious and you will definitely be full. People are amazing and friendly. I got the chickens and waffles (natural) and James got the red beans and rice with roasted chicken and corn bread. And couldn't get out of the door without a piece of the best cream cheese pancakes I've ever eaten.

Will definitely go back and recommend to try it if you don't already. [read more](#).
