Good food, decent service, busy, but great for family food. The staff was attentive, but sometimes they are not at their guards. Had to wave our waiter 4 times to get his attention. Overall a good experience. Try her Frutti Di Mare Pasta, super tasty will be back at the next visit! read more. What sharon m doesn't like about Choppy's Italian:
Food was pretty good. Coook time was awful. Waitress was very young doing her best. Waited over an hour for a small pizza wings ended up with take out. Would definitely rethink this option.
