A complete menu of Big Rock Grill from [Lookout Mountain](#) covering all 17 dishes and drinks can be found here on the card. For changing offers, please get in touch via phone or use the contact details provided on the website. What [Michael Schuett](#) likes about Big Rock Grill:

Worth a stop if you're visiting Rock City. The family and I had lunch here after we walked through Rock City great service and the food was excellent the wait wasn't too long but worth it. [read more](#). What [Adrienne Parker](#) doesn't like about Big Rock Grill:

The food used to be excellent and the fries were amazing. My son and I went last week and the food was almost inedible. I don't know what happened, but it's definitely not the same anymore. [read more](#). Big Rock Grill from Lookout Mountain is known for its **mouth-watering burgers**, to which crispy fries, salads and other sides are provided, For a snack, the yummy *sandwiches*, small salads and other *snacks* are suitable. Furthermore, you can order fresh roasted barbecue, They also present scrumptious South American dishes to you in the menu.
