Their margarita slice is one of my favorites in the city. Amazing thin, light crust with great char and chew. I think the weight of the sauce on the regular cheese slice makes the crust a little soggy sometimes, but still very good. Unfortunately just walked past and saw Bakers was closed by the department of health. Hope this is a temporary issue and not indicative of how they maintain their kitchen. [read more](#). In pleasant weather you can even eat in the outdoor area. What [Leonel Ponce](#) doesn't like about Baker's Pizza:

Great pizza, but don't order delivery. The pizza does not arrive, and there's no way to contact anyone (phone goes directly to voicemail, no response to emails. Not worth it, even if it was the best pizza in the world. [read more](#).
