Wonderful menu of healthy items, and it 's REAL food! So many healthy options out there are still so mass produced but my meal was delicious and truly healthy. I wish I had taken a picture of my veggie frittata it was gigantic and loaded with vegetables. Also well priced considering that half of it makes for a whole meal. Definitely try the muffins they are a bit pricey, but worth it for something homemade with reall... [read more](#). In beautiful weather you can even have something in the outdoor area, and there is free WiFi. The premises on site are accessible, and therefore no problem for customers with wheelchairs or physical limitations. What [Lina P](#) doesn't like about Organic Krush Kitchen Eatery:

I really wanted to like this place because I love the concept (organic, non GMO, no preservatives, etc. and its food, but my experience at Organic Krush gets worse and worse every time I visit the store..I don't mind paying more for the good food and ingredients, but look at the picture, it's Thai Tofu bowl costs \$14+.. Slow service, poor food presentation, small portion, bland flavor, limited business hours, etc.. I... [read more](#).
