Use to never have issues here, now it's been consistent. Ordered a veggie sandwich, which according to their site is supposed to contain avocado and peppers. Neither were on there, literally just a tomato, lettuce, and cucumber sandwich. Cookies were dry, stale, and crumbling apart. Hopefully management can pull it together. [read more](#). The large diversity of coffee and tea specialties makes a visit to Mcalister's Deli even more worthwhile, The yummy **sandwiches**, healthy salads and other snacks can be planned well as a snack.
