The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and be served. Anticipate the *varied, scrumptious Mexican cuisine*, which is usually prepared with corn, beans and chilies (hot peppers), The visitors of the restaurant are also thrilled with the large variety of various **coffee and tea specialities** that the restaurant offers. If you decide to come for breakfast, you are offered a hearty brunch.
