What [User](#) likes about Mochuelo: Great service. Great food, excellent drink menu. The tapas are decent for the price. Portions could be a bit more generous with some dishes, but all in all it's a great experience and has been my favorite place I have found in Fresno for drinks and tapas. Wine list is decent also and fairly priced. The bar is a great calm atmosphere perhaps even more so during peak times compared to the dining room. [read more](#). As a guest, you can use the WLAN of the restaurant free of charge, Depending on the weather, you can also sit outside and eat and drink. The premises on both side are accessible, and therefore no problem for customers with wheelchairs or physiological limitations. What [User](#) doesn't like about Mochuelo: The atmosphere is wonderful, however service is lacking. I was there for a couple cocktails and they weren't very busy, however it took forever to get served. Service: 2/5 [read more](#). Mochuelo from Fresno is a eatery that serves **sweet and hot typical Spanish dishes**, The creative fusion of different meals with fresh and partially daring products is highly valued by the customers - a good example of Asian Fusion. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, There's something for every palate and it's impossible to go wrong with the bite-sized Tapas.
