What [William Dark](#) likes about El Jefe:

The staff are excellent. I always enjoy the food . I always order shrimp of the devil. The fried fish is also excellent. I never have upset stomach after eating there and lately me and my wife have noticed that a lot of places in the last 6 months this is becoming normal . Are other places reusing grease and other things, maybe not cleaning things ? [read more](#). What [G "Curious George" West](#) doesn't like about El Jefe:

Went in for lunch (4 people)The restaurant wasn't busy 2 may 3 other tables.It took about 10 minutes before someone came to take out drink order.By then we were ready to order food as well.Took about 20 minutes to get our food. Yes they brought chips and salsa but it shouldn't take that long especially if they aren't busy.The food lacked flavor. [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), The dishes of this restaurant can also be enjoyed at on-site or at the celebration thanks to a [catering service](#).
