What [Justin S](#) likes about Elmos Bbq:

Their fully loaded BBQ baked potato is really good! Good BBQ altogether. Only problem is it's a small business so they sometimes run out of some stuff cause they don't want to have a bunch of waste. Worth a visit for sure though. [read more](#). What [Donna W](#) doesn't like about Elmos Bbq:

First visit meat was amazing. Second visit they were out of everything and closing. Third visit, man cutting meat acted annoyed that I wanted to purchase meat in pounds. Asked for Lean brisket, hot brisket with fat all Over it.

Disappointed to say the least. Brisket didn't taste the same either. Kind of had a perfume flavor not smoky. I'll stick with the tried and true in Springtown. Sorry Elmo. [read more](#).
