Loved it! The food was so good, and the drinks definitely worth the hype!! I came for my 21st so obviously me and 6 other woman made a fair amount of noise in celebration. Definitely will be going back!! [read more](#). What [User](#) doesn't like about Eataly Dallas:

1. Ordered two glasses of wine (\$23 \$18 \$41). The pure for each glass was AT BEST 60% of what I've experienced at all other Dallas restaurants.
2. Ordered two dishes a pasta dish and a roasted chicken entree. Both were completely over salted. We ate less than 1/4 of the meals. While we were offered another pasta dish for no charge, which was fair, the meal was so bad it wasn't worth the offer at this point.

Summary. I paid just over \$150 for a bearly mediocre meal. The restaurant biz is tough anywhere! You get one shot. Sadly Terra missed badly and we won't go back bc there are just too many other places in town that deliver on a great meal for the same or better price point. Eataly Dallas from Dallas/Ft Worth AP is a good place for a bar to **have a beer after work** and be able to sit with friends or alone, and you can look forward to traditional *Italian cuisine* with classics like pizza and pasta.
