We tried dessert first; chocolate mousse and the ginger bread man cookie. They were all right but nothing spectacular. What does stand out are the kolaches. They were pretty fantastic! (So good I forgot to take pics). The servers both times offered their suggestions based on their preferences. The place is small with only takeout but it's worth checking it out. Take a look at the awards !!!We will definitely be back. [read more](#). The restaurant also offers its visitors a *catering service*.
