One of my favorite places to eat in town. The staff is amazing, always so friendly and accommodating even when they are short handed. The restaurant is always so clean even the bathrooms! The food is always good even if it takes a little longer than expected. If you ever have an issue they are on the ball to fix it and make it right. [read more](#). What [Franco Crona](#) doesn't like about Buffalo Wild Wings:

a terrible service. they weren't even busy and our waitress told us to order two beers on one. wings were cold. the whole staff was stuffed around the pop machine. that was not the first, second or third time that we had bad service and or eating. don't go back. If you're desiring some spicy South American cuisine, you've come to the right place: delicious meals, roasted with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, In addition, the latest games or races can be watched on the big TV in this sports bar, which the customers also love. You have the option to, after the meal (or during it), still relax at the bar with an **alcoholic or non-alcoholic drink**, Here, the barbecued food is freshly grilled on an open flame.
