For seasonal or weekly deals, please contact the restaurant owner directly. You can also contact them through their website. What [John Van Riper](#) likes about Fork in the Market:

Relatively small menus but what they lack in variety they make up in flavor! The hotdogs and burger we had were delicious and I always love battered fries. The service here was excellent and the outdoor patio had a really nice atmosphere. The price was also really inexpensive for the amount of food you got and the bevs were reasonably priced. I would definitely come here again and recommend this to others. [read more](#). As a visitor, you can use the WiFi of the establishment free of charge, Depending on the weather conditions, you can also sit outside and be served. If you want to try delicious **American dishes like burgers or barbecue**, Fork in the Market from Roanoke is the place to be, And of course, you should also try the delicious burgers, with sides such as fries, salads, or wedges provided. Look forward to the enjoyment of scrumptious [vegetarian](#) menus, Typically, the dishes are prepared for you **in a short time and fresh**.
