I had Thai Ginger for dinner the other night and it was fantastic! They have a two page gluten free menu, including appetizers and desserts! The staff was very friendly and knowledgeable. My food came out separately from the people I was dining with. I'm not sure about their kitchen practices, but I'm celiac and I did not have any reactions. [read more](#). What [Dimitri Poulos](#) doesn't like about Thai Ginger Restaurants:

Have eaten at Thai Ginger several times now, once at this location recently, and the place is just okay. This one in Redmond was the worst of the chains we've eaten at: rice old and hard, not great service and low quality food.

Won't be returning to any of the Thai Gingers anymore. [read more](#).
