If you're hungry some *spicy South American gastronomy*, you're in the right place: exquisite menus, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, for breakfast they serve an extensive breakfast here. Furthermore, you'll find fine American meals, like for instance burgers and grilled meat on the menu. The visitors of the establishment also appreciate the large variety of various **coffee and tea specialities** that the restaurant has to offer.
