I had no clue what type of wedding cake I wanted and Susan helped me decide what i wanted. She made the most beautiful wedding cake i could have ever asked her and everything went SO smoothly. We also asked last minute for some cookies on the side that were Texas shaped and decorated and they were such a hit. They were all gone by the end of the night. I highly recommend City Cafe for weddings!! read more. As a guest, you can use the WLAN of the restaurant at no extra cost. During meals, a refreshing drink is essential.
