Wow, I can honestly say I've never had anything like the food here. I did a combination plate with beef teriyaki and the mochiki chicken with macaroni salad and upgraded to fried rice. Just excellent! We also had the guava cake. So unique and light! Honestly the best cake I've ever had. Can't wait to come back and try more. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physical limitations, and there is complimentary WiFi. What [Cedrick Graham](#) doesn't like about Bobby's Hawaiian Style Restaurant:

Friendly staff and decent food. Basically really expensive teriyaki. Don't trust the prices on the menu as they are all wrong. Usually at least a few dollars more than what it shows. Was super disappointed when I ordered the side of Portuguese sausage and spent \$8.30 for literally 6 small coins sized pieces. The menu said it was \$5.45, wrong price, and that would have still been too much money. [read more](#). The tasty and fresh juices on the drinks menu supremely enhance the meals in the establishment, You shouldn't miss the opportunity to try the crispy and crunchy pizza, baked straight out of the oven in an original manner. Furthermore, you can order fresh *prepared barbecue*.
