Here you can find the [menu](#) of **Clover Food Lab** in Cambridge. At the moment, there are **18** menus and drinks on the card. The restaurant offers a variety of vegan options, although not always clearly labeled on the menu. The chickpea fritter platter and zucchini platter were tasty and filling, but the fries were overdone. Despite limited fully vegan options and some dishes not living up to expectations, the cafe offers customization possibilities and a cozy atmosphere. With a focus on takeout and a good selection of drinks, including coffee and beer, this spot provides a unique dining experience. The pita bread, Mayor Menino, and Impossible Meatball sub are highly recommended by patrons. Overall, a good place to satisfy vegans and non-vegans alike.
